

Prayer for the unity of all people in God's love

Jesus teaches us to pray by giving to us the 'Lord's prayer'. According to him the kingdom of God is to come for all of us. His kingdom is the kingdom of love even here on earth. The love of Jesus Christ unites all human beings, regardless of origin and color, in God's infinite heart. We want to ask God sincerely for this unity in love.

Our dear father, you are the one, true nature in everything that is, and which is also in me.

Please forgive that we continue to bind ourselves again to the material world and not to your loving, kind heart. Forgive us that we are hurting ourselves and our fellowmwn, thus separating us from your love. Only you are connecting all beings by your love. You alone can sustain and help us to change our selfish behavior. We ask that you will grant us the strength and endurance to focus our unsteady mind solely to your eternal divine heart to experience true joy and satisfaction in your presence. Bless us with your love and strengthen the unity of the Holy Spirit in us. May all people respond to your love.

Amen.
